

# Footprint Penguin

## Supplies:

- Construction paper
- Black paint
- White paint
- Black felt, foam, or construction paper
- Orange felt, foam, or construction paper

## Directions:

1. Paint your foot white, then outline with black.
2. Stamp your painted foot onto a piece of construction paper.
3. Paint your thumb black and stamp on both sides of the penguin.
4. Use a hole punch to punch out small circles out of black craft foam, felt or construction paper.
5. Dab some glue on it.
6. Paste as the eyes. Cut a triangle out of felt, foam, or construction paper and paste as the beak.
7. Happy feet is done!
