

Paper Plate Menorah

Supplies:

- Paper plate
- Paint in yellow/gold, blue, and orange
- Construction paper
- Scissors
- Black sharpie
- Glue or sticky tape
- Ribbon

Directions:

1. Draw candles and flames on your construction paper using your black sharpie.
2. Paint the candles and flames and when they are dry, cut them out.
3. Paint a paper plate with yellow or gold paint. When it's dry, fold in half and use glue or tape to hold it in place – or cut and only use half a plate.
4. Assemble eight candles and flames and use glue or tape to stick them in place along the top of your menorah.
5. Fasten a length of ribbon to each side of the menorah so you can hang it up.
