

Snowy Tree Finger-Painting

Supplies:

- 1 sheet of blue paper
- Non toxic white paint / fingerpaint
- Black marker or black paint and brush
- Q-tip

Directions:

1. Start by using the black paint or marker to paint or draw your tree.
2. Next use your finger to add snow to your tree. You can add as much or as little as you'd like!
3. Don't forget to add snow to the ground too!
4. Use a Q-tip to add smaller dots of snow around your tree.
